Brenden Hancock

Software Engineer | BS in Software Engineering at WGU
Surprise, Arizona, United States

Experience

Marrs Construction Inc.
Heavy Equipment Operator
April 2023 - May 2024 (1 year 2 months)
Arizona, United States

Specialized in the construction and maintenance of high-density residential properties, including apartment buildings and complexes.

Played a key role in multiple construction projects, contributing to their successful execution by efficiently operating heavy machinery.

Followed safety protocols strictly, ensuring optimal operational standards and minimizing risks in high-stake environments.

Vans
Sales associate
February 2023 - April 2023 (3 months)
Castle Rock, Colorado, United States

Engaged directly with customers to enhance their shopping experience, leveraging strong communication skills to effectively meet customer needs.

Drove sales by demonstrating detailed product knowledge and providing personalized customer service.
Contributed to maintaining visual merchandising standards, ensuring the store's presentation aligned with brand guidelines.

Participated in inventory management tasks, supporting operational excellence in a fast-paced retail environment.

Refined customer service and sales skills, adapting to and thriving in a dynamic retail setting.

Rhino Contracting, LLC
Heavy Equipment Operator
July 2019 - October 2022 (3 years 4 months)

Handled demolition and large-scale excavation projects, focusing on safe and effective operation of heavy machinery.

Worked on-site clearing and preparing for new developments, using expertise in heavy machinery to ensure smooth project progress.
